

**You're looking at
a proven treatment
for prostate cancer.**

**Notice there's
no scalpel.**

Ask your doctor about TheraSeed® treatment for prostate cancer. With cure rates* better than or equal to surgery as supported by 12-year independent clinical studies, it's a minimally invasive outpatient treatment that works with a lower risk of incontinence and impotence.^{1,2} A one-time, approximately 45-minute procedure, TheraSeed® treatment also results in a quicker recovery time than surgery. To find out more, call 800.458.4372 or visit theraseed.com for a free video.
